FALL NEWSLETTER

Dear Brothers and Sisters:

The drop in oil prices in December 2014 had many members concerned about future work opportunities. Many of the shutdowns planned in 2014 proceeded with owners using their in-house workforce. As the year progressed owners realized it was in their best interest to use Local 1460 Millwrights to complete the projects. Maintenance work continues to keep our members busy. Construction calls are ramping up at Suncor Fort Hills, CNRL and at the Northwest Upgrader projects.

Please continue to forward all relevant work related tickets and trainings to Lisa Wilson @ lwilson@millwrights1460.com in order to ensure we have all dispatch required documentation. Thank you for your ongoing efforts in this regard.

New for 2016:

- Determination and announcement of New Wood Buffalo Region Business Representative.
- January 26, 2016 Regular Scheduled meeting for Edmonton, Calgary and Fort McMurray to be conducted by telephone linking all three locations.
- General Convention motion to send 2016 Newsletters via email.

Wishing everyone a safe and prosperous New Year!

Fraternally,

Ted Remenda
President
